*“The natural home of
all healthcare
professionals”*

John Philip
Chairman

Rotary Fellowships are international groups that share a common passion.

Being part of a fellowship is a fun way to make friends around the world, explore a hobby or profession, and enhance your Rotary experience

*“We welcome all
healthcare
professionals
Rotarians and
non-Rotarians”*

Rotary Fellowships
include any
interested
individuals who
globally unite
around a common
interest, vocation or
recreational activity

*We combine
fellowship with
action*

This Rotary Fellowship shall operate in compliance with Rotary International's policies for Rotary Fellowships, but it shall not be an agency of, or controlled by, Rotary International

We've our own constitution, governance structure and determine our activities

Our aims

1. Encourage fellowship among Healthcare Professionals
2. Encourage participation in health programs by volunteering, advising or serving the needy; by visiting and offering training, sharing experience
3. Maintain contact with members by visits, exchange programs and electronic communication

Our aims

4. Recognize individuals who have provided exceptional service
5. Collaborate with other Groups, Professional bodies, Governmental and non-Governmental agencies.

Why join?

Medical team ready to help

Would you like a voluntary medical team to help your community?

- Would you like to seek the help of Rotary volunteers to improve medical facilities in your community?
- A group of Rotarian Health Professionals is offering their skill to work in voluntary capacity to help improve medical care.
- We would like this to be a Rotary vocational project and hence want to do this through Clubs.
