We would welcome your contribution - Contact jp_rotary@btinternet.com

THE INTERNATIONAL ROTARY FELLOWSHIP OF HEALTHCARE PROFESSIONALS (IRFHP) is seeking to complement and help enhance the work being done by many Rotarians to eliminate cervical cancer.

As part of this effort, we have pleasure in inviting you to a Webinar on the topic of HPV Vaccination.

- Linked webinars on topics such as 1) Vaccination 2) Screening 3) Treatment 4) Rotary's role in advocacy.
- Reach out to all Districts to consider an event highlighting the importance of Cervical cancer elimination.
- Provide a toolkit to any District/Club considering a programme.
- Our panel of advisors who are experts in Cervical cancer elimination programmes will be pleased to support any District/Club engaging in such programmes. Please contact us for advice on screening equipment; or for HPV education and awareness messaging strategy, etc
